SUMMARY

I am currently pursuing my BTech in the Computer Science branch, and I am a third-year student. I have already obtained a DCA degree and I am completing my DCA from C.V. Raman University Kota, Bilaspur. I have registered as an NSS student in our college and have applied for a B certificate.

Experience

Sync Internship:

I have recently completed an internship with Sync Interns in the Web Development domain. This internship provided me with valuable experiences that have showcased my practical skills, industry knowledge, and commitment to professional growth.

During my internship, I successfully completed the following tasks:

1. Product Landing Page: I utilized HTML and CSS to create a visually appealing and user-friendly landing page.

2. Quiz App: I worked with HTML, CSS, and JavaScript to develop a quiz application that tested users' knowledge on various topics.

3. Music App: I gained insights into inserting music and learned how to add properties to enhance the functionality of the app.

4. E-Learning Website: I took a step further by incorporating database connections to create a realistic and free e-learning website.

This internship has been an invaluable experience for me as it has allowed me to expand my knowledge and skills in web development. I have gained a deeper understanding of various concepts and improved my practical abilities in this domain.

Education

C.V. Raman University kota, Bilaspur (C.G.)

September 2022

Diploma in Computer Application

Chhattisgarh Swami Vivekanand Technical University Bhilai (C.G.)

Currently pursuing

Bachelor of Technology
